User Acceptance Testing (UAT) Template

Date	4th April, 2025-10th April,2025
Team ID	SWTID1743953304
Project Name	House- Hunt: Finding Your Perfect Rental Home
Maximum Marks	

Project Overview:

Project Name: House Rental App

Project Description: A web-based platform designed to simplify and enhance the house rental experience across India. It enables users to search and list properties, authenticate securely, and receive personalized recommendations. The system includes smart search filters, verified listings, QR-based login, and interactive UI for a smooth user journey.

Project Version: [Version Number]

Testing Period: 12th April 2025 to 14th April 2025

Testing Scope:

Features and Functionalities to be Tested:

- User Authentication (JWT Token)

- QR-Based Login

- Smart Property Search (location, type, parking availability, etc.)

- Verified Property Listings
